SYNOPSES OF LAWS ENACTED BY CHAPTER

2014

SYNOPSES OF LAWS ENACTED BY CHAPTER

Chapter 1 **DURATION OF DRIVERS' LICENSE**

Authorizes the Department of Administration to issue a driver's license for a period of less than five years if the driver is authorized to stay in the United States for less than five years. Requires the department to issue the license for the period of the authorized stay, or, if the stay is for an indefinite period, for one year. Allows a driver with a license valid for less than five years to renew without paying a fee. **(CSHB 1(STA) am)**

Effective Date: June 23, 2014

Chapter 2 **BERING SEA HAIR CRAB FISHERY; ALASKA REGIONAL ECONOMIC ASSISTANCE PROGRAM**

Authorizes the Commercial Fisheries Entry Commission to administer a vessel-based commercial fisheries limited entry system for the Bering Sea hair crab fishery. Requires the commission to submit a biennial report to the governor and the legislature concerning the harvest and earnings of the vessel-based limited entry fisheries system for the Bering sea hair crab during the preceding two years. Requires the Department of Commerce, Community, and Economic Development to assist in the formation of regional development organizations. Permits the department to make regional development grants to organizations for projects the department determines will be of value in encouraging economic development. Limits the number of grants to 15 in a fiscal year, and prevents awarding grants to more than one organization for a particular region. Requires an organization to match the amount of the grant from non-state sources. Requires the department to compile a report on statewide and regional economic development projects and on the activities of regional development organizations that have received assistance or grants from the department. On July 1, 2016, repeals the department's authority to assist in the formation of regional development organizations and the ability to make grants to the organizations. On December 30, 2018, repeals the authority of the Commercial Fisheries Entry Commission to administer a vessel-based commercial fisheries limited entry system for the Bering Sea hair crab fishery. **(FCCS HB 71)**
